How can I Foster God's Presence?

Reflect on God's Word

1. Read **Joel 3:1-17-21**.
2. How would a greater awareness and experience of God's presence change your daily life? Your devotional life? Your work life? Your relationships? Your priorities?
3. How would you assess your willingness to remove the things in your life that hinder you from experiencing God's presence more? Pray for the Lord to increase your willingness.
4. What are some positive steps you can take to foster your experience of God's presence?
5. What are some promises that God makes about His presence? (see **Psalm 139:7-10; James 4:8; Revelation 21:1-3**)
