## **Reflecting on God's Word**

1. Read **Luke 6:20-26; James 1:1-12; Luke 12:35-48**.
2. Why is endurance such an important Christian trait if we already have security of our salvation?
3. In each of these three passages, what are the blessings associated with enduring?
4. What is going on in your life right now that needs this kind of endurance?
5. Re-read these passages in prayer, inserting your situations into the meaning of Scripture, and pray through them.
