Reflecting on God's Word

1. Read **Psalm 67**.
2. Reflect on the idea of God's face shining on us. What does that mean? How does it make you feel?
3. Blessings are both for "us" and for "them." How are these two ideas inseparable?
4. Read **Psalm 66**. How are these two psalms similar?
5. Read **Psalm 51**. What did David pray would be the end result of God forgiving him?
6. What are the purposes of God blessing us?
