

# Christmas Through the Eyes the Opponents

Passage: [Luke 4:1-13](#)

Date: December 13, 2009

### **Reflecting on God's Word**

1. Try to imagine what the birth of Christ must have been like for the opponents of Jesus (Herod, the Pharisees, Satan, the “world”).
2. Prayerfully consider how you might display some of the same types of opposition to all that Christ is as these four groups of opponents. How are you like them? How are you unlike them?
3. Pray for God to have victory over all forms of opposition that lie within you. Remember that He will have total victory when Jesus brings His Kingdom, and thank Him for that. But pray that your opposition would be conquered before then.
4. What life changes do you need to make in order to eliminate your own ways of opposition to Christ?
