

A Dangerous Comfort

Passage: [Hebrews 4:12-13](#)

God's Word is God's "Reckoning"

God reckons your inner thoughts and exposes them in the **most vulnerable** position!

Because God's reckoning carves apart our secrets...

We are free to **diligently rest** in Him.

We are free to **confidently cling** to Him.

We are free to **eagerly pursue** Him.

Walk right into the sword in order to get to the throne.

Reflecting on God's Word

1. Read **Hebrews 4**, then **Psalm 139**.
2. Spend a full hour this week on Psalm 139. Hold nothing back; try hard to hide absolutely nothing from the Lord (and from yourself). Let God use His “scalpel” and His “rib spreaders.” Let Him take a full “MRI” of your soul. Then, rest in Him and boldly approach the throne of grace.
